

## Thai Fresh – Mangosteen Juice *Queen of Thai Fruit*

Mangosteen Juice from 'Thai Fresh' is the perfect extraction from real Mangosteen, which is the good source of natural vitamins.

**"Thai Mangosteen,"** the tropical purple mangosteen from Thailand is known as "the Queen of Fruit." Mangosteen has been with Thai society for decades as national fruit and traditional medicine. Our Mangosteen juice is naturally brewed with Aroma-locked Brewing Technology that are Neatly hand-picked from Thailand's renown orchards in Trat Province, the Southeastern Thailand. This is to ensure that the world renown Mangosteen scent is imbedded in the juice though the whole Mangosteen itself is in your glass.

We guarantee 100% fresh and good taste ever!

*80% Mangosteen Juice*

## Thai Fresh – Durian Juice *King of Thai Fruit*

Durian Juice from 'Thai Fresh' is the first ready-to-drink that made from premium whole-fruit Thai durian.

*40% Durian Juice*

**"Thai Durian,"** the world known as "King of Fruit".

Our Durian Juice is made from the finely selected Durians that are harvested from the famous orchards of Thailand. All Durians are inspected and graded to ensure the maturity requirement and hence the delivery of perfect taste of its juice. With Aroma-locked Brewing Technology, the signature Durian's scent is reassured to be imbedded in the juice as though the whole Durian itself is in your glass.

# Durian

Thai Durian is widely regarded in Southeast Asia as the 'King of Fruit', which provides plenty of benefits including warming up your body. Our 'Thai Fresh Durian Juice' is finely made from real durian. With the adoption of new technology so-called Aroma-locked, its taste and aroma are perfectly retained and hence a perfect healthy and refreshing choice.
